Is it really alright
KASHA
KASHA
GET YOURSELF A LITTLE WET.

Floatie's ranting corner *2:
So yeah, I was going to trans-edit the rest of the volume before I release, but I got really bored of it, so that's all you're going to get for now (and probably for the next year depending on my mood). I think the plot for this series is FINALLY starting. Geez! Took them long enough!
Yes, this is an incest series (Oh, so you may think). AV director, Yuri, dickgirl, incest, what more do you need? =.=;
Translaters and editors for this series is needed if anyone want something faster than 2 chapters a year. PM me on IRC.
